Mobi-Chair®

The Mobi-Chair[®] is a high quality, amphibious rolling beach chair that provides a seamless transition from boardwalk-to beach-to water.

The Mobi-Chair[®] was designed with everyone in mind. Wheelchair users, people with special needs, or even children can benefit from the convenience, portability and comfort of the Mobi-Chair[®].

Mobi-Chair[®] is the ultimate partner for leisure time and entertainment. The aluminum frame and stainless steel parts are corrosion free from salt water and the floatational wheels and armrests provide an unprecedented experience due to their stable buoyant design. The Mobi-Chair[®] is suitable for use at the beach and in swimming pools.

Confortable and Aesthetics

The Mobi-Chair[®] is physically and visually pleasing due to its quality and appearance. Users are able to recline in a comfortable position while riding, bathing or sitting for extended periods of time. The attractive fabric is non-allergenic, UV resistant, water resistant and ventilated for quick drying.

Maneuverability

Mobi-Chair[®] provides a comfortable ride. The rubber pneumatic tires absorb the shock and discomfort caused by rugged terrain, and it provides easy mobility through sand and other rough surfaces.

Floatability

The armrests and wheels are comprised of floatation materials that enable balance while bathing in the water. The integrated handles on the armrests provide added stability while enjoying the ride on land or in the water.

Convenient Transport

Transportation and storage is convenient. Mobi-Chair[®] is quickly assembled or disassembled by operating the quick release pins and joints without tools. It can easily fit into any vehicle.

| Mobi-Chair® Technical Data | | | | |
|----------------------------|--|--------|--------|-------------------|
| Folding frame | aluminum frame & stainless fork and hardware, salt water resistant | | | |
| Chair Dim. | Width | Length | Height | Weight |
| | 42" | 60" | 50" | 66 lbs |

| Front wheel | 12" x 6-1/2» Rubber Pneumatic Tire*1 w/quick release | | | |
| Reer wheel | 16" x 7-1/2» Rubber Pneumatic Tire*2 w/quick release | | | |

Although the Mobi-Chair[®] floats, it is not a boat. The sitting position is stable and you won't slip out of the Mobi-Chair under normal conditions of use.

However, for safety reasons, a life jacket is required for non swimmers (this may also be required by law). The Mobi-Chair[®] is not intended for areas with current or strong waves.
